Business Continuity Plan Section	
Does your company have a documented business continuity plan (BCP)? *	<input type="text"/>
Have you provided a copy of your company's BCP process document or other related evidence? *	<input type="text"/>
If your company does not have a documented BCP, please confirm the date by which your BCP will be complete (completion date not to exceed 6 months from this inquiry). *	<input type="text"/>
Has your company's Business Continuity Plan received (or is your company pursuing) certification to any industry standard? *	<input type="text"/>
Is the BCP reviewed, tested and updated as needed at a minimum, annually? *	<input type="text"/>
Does your company's Business Continuity Plan identify Alternate Locations from which services can be provided or where goods can be manufactured and/or distributed? (Which ever is applicable to your company) *	<input type="text"/>
Does your company's Business Continuity Plan include a plan for communicating to employees, suppliers, clients, and other stakeholders? *	<input type="text"/>
Business Continuity Management Section	
Is the achievement of these objectives evaluated by business process owners, senior management, and internal or external audits? *	<input type="text"/>
Pandemic Section	
Does your company maintain documented guidelines for management of pandemic threats? *	<input type="text"/>
Does the pandemic contingency plan specifically address deploying work at home plans including network coverage and application accessibility? *	<input type="text"/>
Does your company maintain pandemic contingency planning for continuing operations with minimum staffing? *	<input type="text"/>
Have you identified and trained critical resources in performing duties essential to operations? *	<input type="text"/>

Risk Section	
Does your company's BCP include procedures to recover from a disruptive event preventing required employees from accessing their normal workplace and/or facilities such that your company's good, products, and/or services can continue with minimal or no interruption, to meet contractual commitments to your customers? *	<input data-bbox="1201 456 1366 497" type="text"/>
Does your company's BCP include procedures to recover from a disruptive event preventing normal operation of your company's IT infrastructure and/or communications services such that your company's goods, products, and/or services can continue with minimal or no interruption, to meet contractual commitments to your customers? *	<input data-bbox="1201 663 1366 703" type="text"/>
Does your company's BCP include procedures to recover from a disruptive event resulting in interruption of transportation, such that your company's goods, products, and/or services can continue with minimum or no disruption, to meet your customer's requirement? *	<input data-bbox="1201 853 1366 893" type="text"/>
Does your company's BCP include procedures to recover from a disruptive event resulting in loss of electrical power and/or other major utilities such that your company's goods, products, and/or services can continue with minimal or no interruption, to meet contractual commitments to your customers? *	<input data-bbox="1201 1016 1366 1057" type="text"/>
Supplier Section	
If your company has sub-tiered suppliers then, does your company's BCP include procedures to recover from a disruptive event preventing your suppliers from providing sufficient support such that your company's services can continue with minimal or no interruption, to meet contractual commitments to your customers? *	<input data-bbox="1201 1238 1366 1279" type="text"/>
